7919 & 7947 E. McClain Drive

These taxi-way parcels are one of the few remaining vacant lots available at the Scottsdale Airpark. They are ideally located with direct access off of the high-speed turn off from the airport runway. Access is through Gate 6 onto a 75,000 lbs. gross weight bearing taxi-lane 100' wide. The property is located near several Class "A", state-of-the-art, tilt-construction hangar buildings. McClain Drive is convenient to Greenway-Hayden Loop and the 101 Freeway. Many upscale amenities are available nearby.
